

# Defend your **TURF!** Root Zone Mixes

With three strategically located mining operations in New Jersey, Clayton will blend mixes to project specifications and monitor mixes for organic matter and particle size consistency, while maintaining quality control through an accredited independent testing laboratory.

## Keep YOUR Battlegrounds GREENER:

- Golf Courses
- Baseball Fields
- Soccer Fields
- Football Fields
- Multi-Sport Turf Field Complexes

[www.claytonco.com](http://www.claytonco.com)

Serving the tri-state area.
